

## Arch Coal Completes Consent Solicitation for Its 8.750% Senior Notes due 2016

December 13, 2013 6:25 PM ET

ST. LOUIS, Dec. 13, 2013 -- Arch Coal, Inc. (NYSE:ACI) today announced that it has successfully completed its consent solicitation with respect to its 8.750% Senior Notes due 2016 (CUSIP No. 039380AB6) (the "Notes").

On December 2, 2013, Arch commenced a cash tender offer (the "Tender Offer") for any and all of its outstanding \$600 million aggregate principal amount of Notes. In connection with the Tender Offer, Arch solicited consents (the "Consent Solicitation") from the holders of the Notes for certain proposed amendments to the indenture governing the Notes (the "Indenture"). The deadline for tendering Notes to be eligible to receive a consent payment in connection with the Consent Solicitation was 5:00 p.m., New York City time, on December 13, 2013 (the "Consent Expiration"). As of the Consent Expiration, Arch had received tenders and consents representing \$438,107,000 in aggregate principal amount of the outstanding Notes. The consents received exceeded the minimum needed to amend the Indenture. Accordingly, Arch and U.S. Bank National Association, as trustee, have executed a supplemental indenture that eliminates most of the covenants and certain default provisions applicable to the Notes.

Arch will make a cash payment of \$1,049.25 per \$1,000 principal amount of Notes, which includes a consent payment of \$30.00 per \$1,000 principal amount of Notes, plus accrued and unpaid interest from the most recent interest payment date on the Notes up to, but not including, the initial settlement date, to the holders of Notes who tendered prior to the Consent Expiration. The initial settlement date will be a business day of Arch's choice promptly following the satisfaction or waiver of the conditions to the consummation of the tender offer.

The Tender Offer will expire at 11:59 p.m., New York City time, on December 30, 2013, unless extended (such date and time, as the same may be extended, the "Expiration Time"), with final settlement expected to occur on the following business day after the Expiration Time.

Remaining holders who validly tender their Notes after the Consent Expiration and before the Expiration Time will be eligible to receive \$1,019.25 per \$1,000 principal amount of Notes, plus accrued and unpaid interest from the most recent interest payment date on the Notes up to, but not including, the final settlement date. Any extension, termination or amendment of the Tender Offer will be followed as promptly as practicable by a public announcement thereof.

The terms and conditions of the Tender Offer and Consent Solicitation are described in an Offer to Purchase and Consent Solicitation Statement, dated December 2, 2013 (the "Statement"), and a related Consent and Letter of Transmittal, which have been sent to holders of Notes. Arch's obligations to accept any Notes tendered and to pay the applicable consideration for them are set forth solely in the Statement and the related Consent and Letter of Transmittal. This news release is not an offer to purchase, a solicitation of an offer to sell, or a solicitation of consents with respect to any securities.
